The 17th Sunday in Ordinary Time focuses on wisdom, God's plan, and the great value of His kingdom. The readings show how people should seek what truly matters and trust in God's guidance.

- **Seeking Wisdom:** Solomon asks God for wisdom instead of riches or power. This shows that true success comes from knowing right from wrong and making good choices.
- **God's Plan for Us:** God works in the lives of those who love Him. He calls people, makes them right with Him, and helps them become more like His Son.
- **True Treasure:** Jesus compares the kingdom of heaven to hidden treasure and a valuable pearl. These stories teach that God's kingdom is worth more than anything else.
- **Sacrifice for What Matters:** The people in Jesus' parables give up everything to gain the treasure or pearl. This reminds believers to let go of what is less important to follow God.
- **Judgment and Separation:** Jesus tells a story about a fishing net catching all kinds of fish. He warns that in the end, good and bad will be separated.
- **Wisdom in Teaching:** Jesus says that wise teachers use both old and new lessons. This means faith should be built on past truth while still growing in new understanding.

The 17th Sunday in Ordinary Time teaches that God's wisdom and kingdom are more valuable than anything else. Those who seek them will find true purpose and lasting joy.

SAINTS MARTHA, MARY, AND LAZARUS were siblings from Bethany and dear friends of Jesus Christ. The Catholic Church honors them together on a shared feast day on July 29, celebrating their household as a model of deep friendship, authentic humanity, and faith. Each sibling is celebrated for their unique role in the Gospels:

Saint Martha: Often remembered for her active, generous hospitality, she is the patron saint of cooks, homemakers, and servants. She is also noted for her bold declaration of faith in Jesus as the Messiah.

Saint Mary: Renowned for sitting at the feet of Jesus and listening to His words, she represents the beauty of contemplation and spiritual study.

Saint Lazarus: Famous for being brought back from the dead by Jesus after being in a tomb for four days. His resurrection served as one of Christ's most profound miracles, pointing to the power of God.

Historically, the Western Church celebrated only Martha on July 29, often debating the identity of Mary. However, Pope Francis issued a decree in 2021 updating the General Roman Calendar to combine all three siblings into a single, combined memorial. Together, their household is remembered as a place where Jesus experienced true family spirit and comfort during his earthly ministry.
